

Request for Educational Program or Tour

The Montrose Botanic Gardens operates solely on donations, sponsors and grants and is staffed by VOLUNTEERS. We have an experienced, knowledgeable and energetic group of volunteers who can be enlisted to meet the needs of your group with enough advance notice. We also have a network of contacts outside of the Gardens we would be happy to refer as appropriate. **Please complete and submit The Request for Educational Program/Tour Form at least 3 weeks prior to your requested date.**
