Gardens between 10AM - 1PM

 **PICK UP BUILD: December 27**

Pick up your build at the Montrose Botanic
Gardens between 1 - 4PM

montrosegardens.org/garden-of-lights

CALLING ALL BUILDERS!

Here's what our SnowTown needs:

- LEGO Builds can be big or small (using the classic mini-figure scale).
- They can use light or movement
- Builds can be anything from castles to Christmas trees, town buildings and accessories (the snowier the better!)
- Build from a kit or design your own!

QUESTIONS? CONTACT US AT:
info@montrosegardens.org

The Montrose Botanical Society will safeguard the builds, but is not responsible for any loss or damage to your build. The Gardens are locked full time while decorating for the Garden of Lights and the builds will be placed under cover.

1800 Pavilion Drive
Montrose, CO 81401
