

SILENT AUCTION: CALLING ALL SCARECROWS!

“Best of Show” will receive 4 tickets to the Garden of Lights in December!

Montrose Botanic Gardens Scarecrow Festival – October 5 & 6, 2024

Show off your creative genius and help support our Botanic Gardens at the same time! All entries become donations to the Montrose Botanic Society and will be offered in a Silent Auction during the Scarecrow Festival. Proceeds from the auction support the continuing development of the Gardens. Other fall décor or garden-related items are popular additions to the auction as well.

SCARECROW ENTRY GUIDELINES

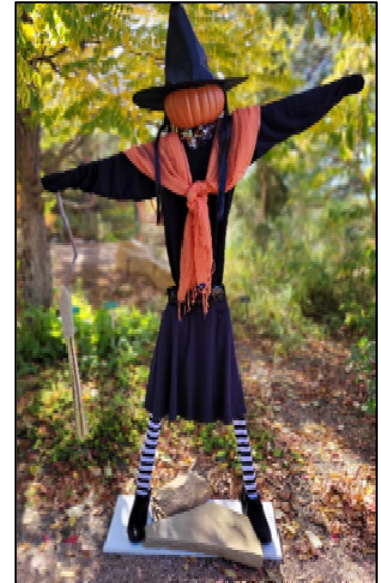

Use your imagination – scavenge supplies, props and materials to conjure up a unique family-friendly scarecrow, whether it be humorous, Halloween-ish, reflecting a hobby of yours, or a down-on-the-farm scarecrow.

- Entries may be created by an individual or group.
- Scarecrows must be assembled on a self-supporting frame or posed in a chair or on the ground (but nothing pounded into the ground), and should be able to withstand sun, wind and rain.
- Entries must be easily portable. If your scarecrow must be disassembled to fit into a standard vehicle, please include instructions for the person who is transporting it home.
- No live animals (or humans!) or fire may be used in the display. For any lighting needs, we recommend LED lights with battery packs.
- Identification signs will be provided at registration OR entrants may provide their own pre-printed sign. Size limited to 8.5”x11” standard paper size, and must include the title of the entry and creator’s name(s).
- The Montrose Botanic Gardens is a family-friendly venue, which reserves the right to refuse display of any entry which is deemed to be offensive, unsafe or otherwise inappropriate.
