

Beekeeping alongside Native Pollinators

info@montrosegardens.org

Saturday, April 12

at 10:30 - 11:30 am

Montrose Regional Library

Community Room

320 S Second Street

Presenters Gayle Johnson and Steve Manis are keepers of 35 local beehives. They will share their approach to the art of beekeeping as the study of a biome -- the relationship between flowers, pollen, native pollinators and honey bees.
