 **PICK UP BUILD: December 27**

Pick up your build at the Montrose Botanic Gardens between 1 - 4PM

montrosegardens.org/garden-of-lights

CALLING ALL BUILDERS!

Here's what our SnowTown needs:

- LEGO Builds can be big or small (using the classic mini-figure scale). The snowier the better!
- They can use light or movement
- Ideas include (but not limited to): castles, homes, people, schools, shops, churches, skating rink, town square, transportation, parks, etc.
- Build from a kit or design your own

QUESTIONS? CONTACT US AT:
info@montrosegardens.org

The Montrose Botanical Society will safeguard the builds, but is not responsible for any loss or damage to your build. The Gardens are locked full time while decorating for the Garden of Lights and the builds will be placed under cover.
